Albany Enters AAA Pedestrian Safety Protection Contest

A complete report of Albany's
pedestrian accidents and accident
prevention program has been for-
warded to the California State Au-
tomobile Association for judging in
the American Automobile Associa-
tion's annual nationwide Pedestrian
Protection Contest, it was an-
nounced today by Chief Ralph M.
Jensen.

The city will be judged by the
AAA along with other cities of the
same population group in the Uni-
ted States. A board of judges, com-
prising some of the most promi-
nent men in the field of traffic will
review all reports and announce the
winners later this year.

Forty-seven states and 1,611
cities, including California and Ne-
vada and 90 cities in the area served
by the CSAA, entered last year's
contest.

In 1956 there were no pedestrian
fatalities here. Looking forward to
the city's 1957 record, Sgt. James
C. McLeod, contest representative
for the city, said.

"Every person is a pedestrian at
one time or another almost every
day of his life, so every person
should cooperate in making our
city's pedestrian program a suc-
cess. Pedestrians should obey traf-
fic rules the same as good drivers.
They should watch signals and be
alert to the movement of traffic.
Drivers, also, should cooperate in
helping to make our streets and
highways safe for pedestrians to
cross. With proper care and cour-
tesy on everyone's part, this city
should have an outstanding pedes-
trian protection record this year."

Citizens Asked To Help Keep Streets Clean

Your Public Works Department
is endeavoring to keep the streets
of Albany swept and cleaned of all
debris. To accomplish this it is
necessary to sweep the road-
way from curb to curb weekly. This
cannot be done when cars are park-
ed on the streets being swept, ac-
cording to city officials.

"We know the citizens of Al-
bany want to and will cooperate
with their Street Sweeping Pro-
gram by eliminating parking in
front of their homes during the
time their street is scheduled to be
swept," says a statement from the
city engineer's office.

"Our City is divided into sections
for the purpose of street sweeping.
So that you will be informed as to
when your street is to be swept,
we are publishing the schedule.
Residential streets are swept be-
tween the hours of 5 a.m. and 12
noon on week days with the excep-
tion of rainy days or holidays." Fol-
lowing is the daily schedule:

Monday:

The section bounded by Cleve-
land Street to San Pablo Avenue
and from Buchanan Street to the
North City Limits.

Tuesday:

The section bounded by San
Pablo Avenue to and including
Evelyn, and from the South City
Limits to the North City Limits.

Wednesday:

The section bounded by Masonic
and Ramona Avenues, the North
City Limits and Santa Fe Avenue.
Also Carmel from Thousand Oaks
to North City Limits.

Thursday:

The section bounded by Santa
Fe, Carmel and Curtis Avenues,
from the South City Limits to the
North City Limits.

Friday:

The section bounded by Neilson,
the East City Limit and from So-
lano to the Berkeley City Limits.
